### **EVENTS BY TOPIC**

#### **CURIOUS MINDS SESSIONS**

**1) *Between the Gates*:** We will delve into the mysteries of lucid dreaming, astral projection and the body of light in Western Esotericism. This is a trip you are going to want to take. Somewhat mind-blowing, these concepts may change your view of reality forever.

Date: May 5<sup>th</sup>

Recommended reading: “*Between The Gates*” (Mark Stavish, Weiser Books)

---

**2) *Is there Life before Life?*** Recent studies by researchers and medical doctors shed light on the mysteries of life and death. Their recent conclusions are startling: not only do we live many times over, but we come back looking much the same as we previously did and with the same skill sets. Are their conclusions the products of troubled, confused minds? Or, is there now scientific knowledge that proves the many-lives hypothesis?

Date: September 1<sup>st</sup>

Recommended reading: “*Life before Life*” (Jim B. Tucker, M.D., St. Martin’s)

---

**3) *The Spiritual Brain*:** We will explore a neuroscientist’s case for the existence of the soul. Did a god create the brain, or does the brain create God? We will review the recent findings about the spirit/mind/body connection and learn that there may be provable findings that may confound reductionist scientists and debunkers of spirituality.

Date: November 3<sup>rd</sup>

Recommended reading: “*The Spiritual Brain*” (Mario Beauregard, PhD & Denyse O’Leary, Harper One).

## ***RED ZONE HUDDLE DAYS***

Rainmakers familiar with this program enjoy it very much. We create small groups of Rainmakers who invest their valuable time concentrating on solving the marketing, strategic, administrative and life balance challenges of each other. The collective experiences plus the inter-disciplinary approaches brought to the sessions always allow participants to leave with great new ideas for growth and abundance in their careers and personal lives.

Dates; February 3<sup>rd</sup>, June 2<sup>nd</sup> and December 1<sup>st</sup>

## ***PROMOTE A CLIENT DAY***

We owe our clients a lot. They support our lifestyles and put up with our foibles. This is an opportunity to pay them back. Rainmakers invite their clients to present their products and services to us in a focus group format.

This is an excellent way for us to say “thank you” by promoting them to potential clients and centers of influence.

Dates: April 7<sup>th</sup> and October 6<sup>th</sup>

## ***VISIT A MEMBER COCKTAIL PARTY***

We co-host a series of cocktail parties at the offices of our Rainmakers. This provides excellent networking opportunities while promoting our Rainmakers “on their own turf”.

Date: July 16<sup>th</sup>
